

INT. LILLIAN'S APARTMENT - NIGHT
DING DONG.

An excited Lillian opens the door to reveal
Annie, posing with bottles of wine and a stack of magazines.

ANNIE
Hurry up, let me in. Your creepy
neighbor invited me in to his place
to watch the news again.

LILLIAN
Ew. Let me help you with those.
Come in, let me take your
magazines. Welcome to the magazine
and wine party!!

Lillian excitedly takes the wine. Annie walks in confused by
this. Lillian is practically skipping.

LILLIAN (CONT'D)
Have a seat. I'm very happy you're
here, because I want to eat an
apple. Would you like some apple?

Lillian splays her hand, showing off a sparkling DIAMOND
ENGAGEMENT RING.

ANNIE
(seeing ring)
Lillian... what is that?

LILLIAN
I got engaged.

ANNIE
What? WHAT?!

LILLIAN
He asked me last night! That's why
he's been acting so weird. I guess
he's been planning it for like two
months and he's not a good liar and
so if he felt like he was gonna
blow it, he would just stay away
from me.

ANNIE
(in shock)
Oh my god. Lillian...

LILLIAN
I know. I'm shocked, but I'm happy.

ANNIE
Oh my god. Oh my god, I just got hot.

LILLIAN
Are you OK?

ANNIE
My pits are sweating. My stomach hurts. I don't know, I'm hot. Oh my god. Ah! What is happening?!

LILLIAN
I can't believe it.

ANNIE
Lill, you're getting married.

Annie hugs Lillian tightly. Lillian hugs her back but it's a decidedly awkward moment as Annie hugs her way too long and hard, like Lillian's going off to war. They finally separate.

LILLIAN
So you'll be my Maid of Honor...

ANNIE
Oh god, of course I will.

LILLIAN
We'll have so much fun. We can plan everything together.

ANNIE
...planning a wedding.

LILLIAN
Are you sure you're up for it? I know it's a lot to ask and put on on your plate. You're going through a tricky time, it's a lot to ask...

ANNIE
Stop. It's fine and I'm more than happy to do it. It's not too much.

Lillian's cell phone rings. She smiles.

LILLIAN
(goofing)
Can you hold that thought? It's my
fiancee calling.

(they both laugh)

Hey, honey! Yeah, yeah.

ANNIE
(into the phone)
Yay!!

LILLIAN
I just told Annie. Yeah, she's
excited! Yeah, um, let me check.
(then)
Annie, hold on, I'll be right back.
I know baby, I miss you too.

Lillian makes a goofy face at Annie and they both laugh
joyously as Lillian runs out of the room. Annie is left
laughing too hard by herself, freaking out inside.
