

## Girl Interrupted – Scene 1

Cut. Next morning. Lisa is still asleep on the couch. Susanna takes her coat and leaves for a walk to the river. The cat follows her for a bit. She comes back after some while. Lisa is now awake and sitting at the kitchen table fixing some stuff. She's wearing sun glasses and smoking. Skeeter Davis' "The end of the world" is playing from upstairs.

SUSANNA:  
Has she come down yet?

LISA:  
No. But she's been playing  
that shit all morning!

SUSANNA Walks up the stairs. Ruby is sitting at the top of the stairs, then leaves.

SUSANNA:  
Daisy?

Knocks on the door of Daisy's room. Enters and sees an unmade bed. The record player is on repeat mode. Skeeter Davis' "The end of the world" starts all over again. She leaves the room. Ruby is in front of a closed door down the corridor.

SUSANNA:  
Daisy? Daisy?

Walks through the corridor and opens the door.

SUSANNA:  
Oh Lord! Brakes down crying.

Lisa comes upstairs and sees Daisy.

SUSANNA:  
(weeping)  
She killed herself.

LISA:  
Oh what an idiot.

Susanna runs into Daisy's room and dials 911.

SUSANNA:  
Yes, uh, I need an ambulance.

LISA:  
Make it a hearse.

SUSANNA:  
It's Daisy Randone. She killed herself.  
23, Vicar Street. Yes, please hurry.

Lisa goes into the laundry room and takes money out of Daisy's bathrobe.  
Susanna comes back from Daisy's room.

SUSANNA:  
You pressed her buttons and  
now you're taking her money.

LISA:  
Please, I didn't press shit.  
She was waiting for an excuse.  
Come on pack up, we have to go, alright.

She places the money in Susanna's coat pocket.

SUSANNA:  
We have to go. Well, we have money.  
Susanne, don't be stupid. Alright, fine, be stupid.

Lisa walks down the stairs and leaves, while Susanna brakes down on the floor.  
Cut.
