

1. INT. PRISON KITCHEN - AFTERNOON

ALEX is carrying towels as she walks past PIPER who is fixing a toaster.

PIPER (frustrated)
Jesus!

ALEX
Hey.

PIPER
You know what's overrated?
Toast.

ALEX
Wanna fuck in the pantry?

PIPER
Aye! Get out of here, you're
going to get a shot.

ALEX stands behind PIPER rubbing her up.

PIPER
(Shrugging)
Stop it Alex.

ALEX
Come on babe, we'll celebrate
about how totally fine you are
with everything.

PIPER
You're freaking me out

ALEX
You ain't seen nothing yet...

PIPER
I said stop it

ALEX
What? Can't a girl be totally
overcome with desire for

someone who's been so cool, so forgiving?

PIPER
(Pulls away angrily)

We are not Okay!
This is not fine

ALEX

Good now we can talk about it

PIPER
Is that what this is about?

ALEX

Yeah that's what this is about. You find out that I personally got you thrown in here at the exact moment your manicured fingers are like closing on the yuppie brass ring and somehow you don't have a problem with it? You are so full of shit.

PIPER

Fuck you! (pushes Alex)
Fuck you Alex! (pushes again)
You want me to be angry?
Well guess what I'm really fucking angry. Because I love you Alex, I love you and I fucking hate you. I have really been trying to keep my fucking shit together but if you really need to see me (pushes Alex, and walks away) punk out over this.

ALEX

Larry left you, didn't he.
(piper stops)
And that's why you're fake fine with me.
Right now you're willing to overlook pretty much anything

because ultimately you are
just terrified of being alone.
Look at me.

PIPER

Why did you do it?

ALEX

They were offering less time.
A lot less time, depending on
how much I gave them. I hadn't
seen or heard from you in 8
years. You weren't even real
anymore, And if m being really
honest I was still pissed at
you, for leaving, so yeah at
that moment I was like fuck
you. You know? I'm not proud
of myself.

PIPER

You lied to me. When I first
got here you could have given
me this whole speech right
then.

ALEX

I wanted you to like me. I
still do.

PIPER

Maybe you should have thought
that all the way through.

(Walks away)

End of scene...
